EDUCATION

Bachelor of Science in Computer Science, *George Mason University* Expected May 2026
Fairfax, VA

- GPA: 3.53
- Relevant Coursework: Data Structures, Object-Oriented Programming, and Software Engineering.

PROJECTS

Petal Vogue (E-commerce Platform), *React, CSS, JavaScript* ☑ May 2024 – Jun 2024

- Developed an e-commerce platform using React and CSS, ensuring a responsive design and seamless user experience.
- Created and integrated a sorting system for price, category, and gender, and implemented search functionality across all relevant pages.
- Designed and managed Wishlist and cart systems for saving favorites, editing products, and providing personalized recommendations.
- Implemented unique product pages with customizable attributes and randomized reviews, ensuring data persistence using local storage.

Quadsaic (Game Hub), *React, CSS, JavaScript* ☑ Jul 2024 – Sep 2024

- Developing a comprehensive game hub with customized versions of Wordle and Word Search
- Implemented core functionalities and customization options including adjustable game sizes, a points system, audio features, and tutorials.
- Utilizing local storage for data management and end-of-game summaries.

Weather App, *HTML, CSS, JavaScript* ☑ Jul 2023 – Aug 2023

- Built a Weather App that provides real-time 24-hour and 3-day weather forecasts by integrating a free weather API.
- Create API calls to fetch real-time weather data based on user-inputted zip codes, enabling dynamic updates and personalized weather insights.

PROFESSIONAL EXPERIENCE

Retail Cashier, *Boba Hero LV UP* Oct 2021 – Jan 2022
Leesburg, VA

- Operated cash register, handling transactions such as issuing receipts, processing refunds, credits, and providing change, while maintaining accuracy and efficiency.
- Collaborated within a small team to meet sales targets, averaging \$735 per shift, while managing inventory and restocking shelves to ensure product availability and store organization.

Barista, *Panda Tea House* Dec 2018 – Dec 2019
Sterling, VA

- Crafted over 25 specialty beverages, ensuring strict quality standards and consistency in every hand-crafted drink, while providing personalized customer service.
- Collaborated with team members to maintain cleanliness, manage supplies, and ensure efficient operations during peak hours.
